

How to... log in

1. AD LOGIN ■
Press the **AD Login** button as displayed on the screen above.

2. YOUR DETAILS ■
Enter your **Username** and **Password** as you would do to logon to your PC.

3. KEYBOARD ■
To enter your credentials, press on the white bar on the touch screen next to **User Name** and a keyboard will be displayed for you to type your details into. When complete press **OK**, and then repeat for **Password**.

4. THEN PRESS LOGIN ■
